

Welcome Back to the Office

WE ARE RE-OPENING

To our beloved members:

It's been a long time waiting but we are excited to let you know that JJ Lake is reopening! We have implemented new **Health and Safety Measures** to provide you a safe and comfortable working environment!

Our New Health and Safety Measures Included:

- Distanced seating arrangement for Co-working Space Teams
- Social Distancing marks/guides in the common area
- Face masks are **REQUIRED** if entering into the common area
- Hand Sanitizer and tissues around the space
- No Touch Forehead Thermometer Visitor Monitoring
- We've paused all in-person events at JJ Lake. (Instead, we host virtual webinars every week now. You are more than welcomed to join these events)

Looking forward to seeing you all soon!

JJ Lake Team
